

*In the year 1947, an alien life form
- utilizing technology far
superiour to our own -
entered earth's orbit, threatening all
life on this planet.*

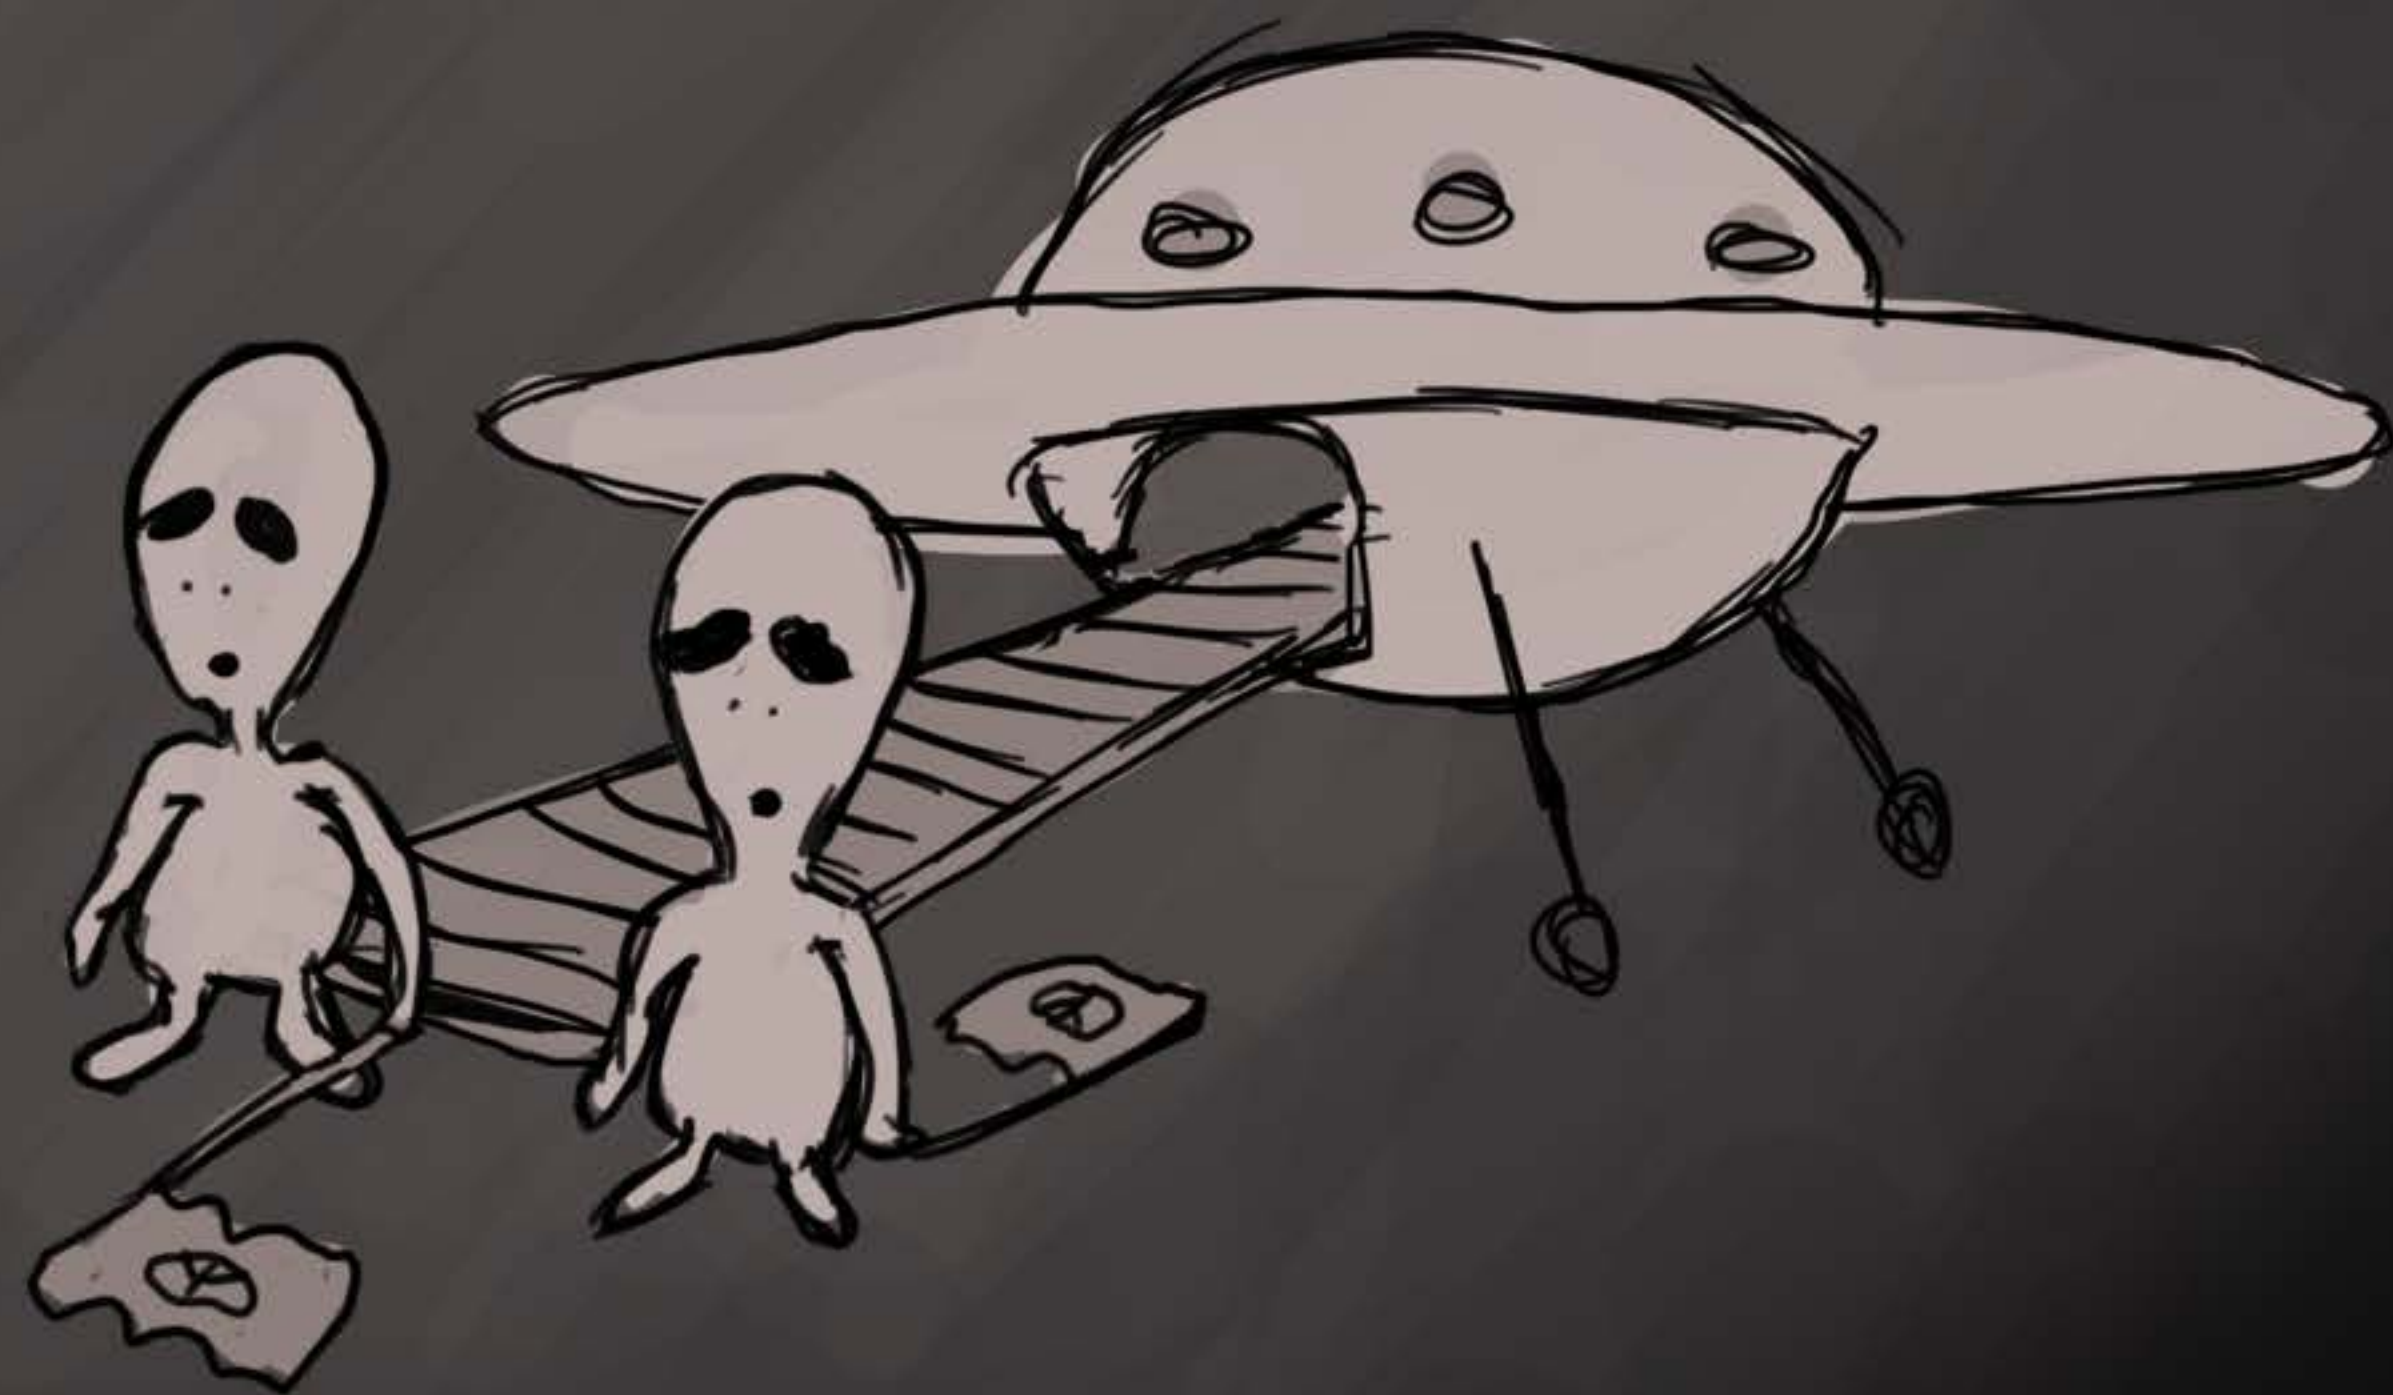

*It was through strategic ingenuity,
that humankind was able to prevent
this gruesome invasion and protect
earth's inhabitants.*

After years of analyzing, ...

experimenting...

and bending moral space, ...

*scientists finally made it possible for
YOU, the average citizen, to purchase
this amazing technology at your local
capitalistic mega store.*

*For this reason, the NASA
brings to you...*
